

## **STARCOMMS OFFER SPECIAL RAMADAN OFFER MAKES CALL TO SAUDI ARABIA CHEAPER BY OVER 45%**

In the spirit of the Holy Month of Ramadan, Starcomms Plc has announced a special 45% slash in call rate to Saudi Arabia. This is in line with its stated objective of always identifying with its teeming subscribers on unique and special occasions.

Mr. Maher Qubain, the CEO and Managing Director of Starcomms, stated that the slash is based on Starcomms' belief that the Holy month should come with special benefits for Muslim subscribers. He urged all subscribers to make use of the opportunity by staying in touch with their loved ones in Saudi Arabia throughout the duration of this Ramadan.

According to Mr. Manoj Vashisht, Marketing Director Starcomms Plc, the call rate to Saudi Arabia has been slashed from N41.2 per minute to N22, a discount slightly above 45%, thereby making it the lowest when compared to other operators.

Starcomms Plc, it would be recalled, has also very recently announced attractive offers for customers looking for data solutions keeping the festival in view. These include very attractive offers on two Voice and Data devices - the introduction of Free Unlimited Internet for one month on purchase of the home phone Talkie FWP, and 250 hours of Free Internet which the customers can utilize over a period of 3 months, on purchase of Nokia 6275, a multimedia mobile phone. For subscribers looking for a pure data device to keep in touch with their family, friends and associates, Starcomms has introduced a stylish Mobile Data Card – izap@sleek, which is an Express Card that can be used with laptops and notebooks with express slots. This also comes at an attractive package that costs just N14, 999 with 100 hours of Free Internet that can be used over a period of one month.

Mr. Vashisht appealed to both existing and new subscribers to avail themselves of these new festival offers which are aimed to benefit the subscribers. He assured Nigerians that Starcomms Plc, as a responsible corporate citizen will not relent in its quest to ensure continuous consumer satisfaction and the provision of seamless communication.
